**THIS SECTION IS TO BE COMPLETED BY THE PARISH PRIEST**

Having considered all the evidence available to me concerning the family's involvement in the parish, I recommend that this child be offered a place with the priority indicated on the scale below.

**Priority in enrolment shall be given in the following order:**

1. Parents of children of Catholic Families who are actively involved in the Parish Community on which the school depends.
2. Parents of children of Catholic Families from other parishes who are actively involved in their respective parish and who, for special reasons deemed sufficient by the School Enrolment Committee, seek enrolment.
3. Parents of children of Catholic Families who are not actively involved in the Parish Community on which the school depends.
4. Parents of children of Catholic Families of other parishes.
5. Parents of children of Orthodox or other Christian Families.
6. Parents of children of non-Christian Families.

**ANY ADDITIONAL COMMENTS:**

---

---

I realise that I am making a recommendation for order of consideration for enrolment in comparison with other applicant's from this parish.
