INSPIRING YOUR CHILD TO LOVE LEARNING AND BE THE BEST THEY CAN BE

At Our Lady of Rosary (OLOR) it's our community is what makes us different, it is an essential part of our school where teachers, families and students care for and support each other throughout their time here. A brand new building with contemporary indoor/outdoor learning spaces and extensive greenspace all contribute to the wellbeing of all children in our care and play a vital part in their learning success. The school offers Before and After school care and Vacation care on site and a comprehensive kinder transition program providing new parents the opportunity to meet other local families.
